Terms and Conditions

This offer is subject to certain terms and conditions as set forth below and which may change without notice. By completing this Victory Capital Asset Transfer Bonus Form, you agree that you are responsible for determining whether to open or use an existing Marketplace brokerage account (the "Account") and transfer assets from another source into your Account, and for all investment decisions in your Account. All references to "you" refer to the Owner and Joint Owner of the Account, as applicable. A complete list of eligible investments into which your Asset Transfer Bonus may be invested is attached on Exhibit A (the "Eligible Investments"). You may contact a Victory Capital Service Representative at 800-235-8396 to provide instructions as to your investment choice(s) or to change your investment instructions at any time. You will receive the Victory Capital Asset Transfer Bonus payment as a purchase of the Victory Funds mutual fund you designated in Section 4 of the Asset Transfer Bonus Form (the "Designated Fund") within approximately 90 days after the first transfer into your Account. Market volatility, volume, and system availability may delay account access and/or the availability of the Victory Capital Asset Transfer Bonus payment in your Designated Fund within your Account. If your Account includes a Joint Owner, both Owner and Joint Owner jointly and severally agree that either Owner or Joint Owner may provide investment instructions to Victory Capital regarding these accounts, and that Victory Capital Management Inc., Victory Capital Services, Inc., and Victory Capital Transfer Agency, Inc. and their affiliates ("Victory Capital") shall have no liability, including without limitation those related to market volatility, or as to conflicting or duplicative account instructions received from Owner and/or Joint Owner.

Victory Capital Asset Transfer Bonus Payment

To receive your Victory Capital Asset Transfer Bonus payment, your Asset Transfer Bonus Form must be received in good order within 60 days of the first transfer into your Account. You will receive the Victory Capital Asset Transfer Bonus payment within approximately 90 days after the first transfer into your Account. For purposes of determining the value of the assets transferred into your Account, securities will be valued at the closing price of the securities market on the business day your transfer is received and reflected in the transaction history of your Account. Victory Capital reserves the right to make additional bonus payments at its discretion for assets received in excess of \$1,000,000. Removing any assets during the promotion period (i.e., the 60 days after the first transfer into your Account) may result in a lower Asset Transfer Bonus or loss of the Asset Transfer Bonus. Your Asset Transfer Bonus payment will be invested in the Designated Fund within your Account. If you do not elect an investment option, you will not receive the Asset Transfer Bonus payment.

If the Account is, or is funded by, an individual retirement account or other account ("IRA") subject to Section 4975 of the Internal Revenue Code ("Code"), you represent that (A) you are the IRA owner with the authority and qualifications to invest IRA assets and (B) the investments in the Account are consistent with all of your responsibilities as a fiduciary to the IRA under the Code or other applicable law, and with the terms of the IRA, and do not and will not constitute non-exempt prohibited transactions under Section 4975 of the Code. You understand and agree that the Asset Transfer Bonus payment will be made to the IRA and not to you, personally.

Restrictions Apply

New funds or securities must be transferred from an account outside of Victory Capital into your Marketplace brokerage account. The Asset Transfer Bonus is not available with respect to accounts subject to the Employee Retirement Income Security Act ("ERISA").

An Owner and/or Joint Owner can receive the Asset Transfer Bonus only once. Multiple accounts with the same tax ID number and Owner and/or Joint Owner do not qualify for multiple Asset Transfer Bonus payments. This offer is available subject to the account eligibility requirements set forth in the relevant prospectus for the Eligible Funds and is not transferable, except that the Asset Transfer Bonus payment is transferable between the Owner and Joint Owner of the Account. This offer is not valid for (a) existing Marketplace brokerage accounts that are being re-registered by a beneficiary, (b) a re-registration of jointly held Marketplace brokerage accounts to individual accounts, or (c) other similar re-registrations. Only investors making your first transfer into a Marketplace brokerage account on or after April 24, 2023, through April 30, 2025, are eligible for this Asset Transfer Bonus program.

These dates are subject to change without prior notice to you. Victory Capital reserves the right to reject an Asset Transfer Bonus Form if it believes that an investor is gaming the system. Any Asset Transfer Bonus payment made to your Account may be forfeited or reduced at Victory Capital's sole discretion if you close, transfer, terminate or otherwise withdraw your funds, in whole, or in substantial part, within 365 days of Victory Capital's receipt of such funds in good order. The decision to purchase to, from, or among accounts (including the available investment options offered by Victory Capital) may result in adverse tax consequences including capital gains and/or losses and may impact the tax basis of your investments. The tax basis for your investment may differ from the tax basis for your Asset Transfer Bonus payment. Consult with your tax advisor about the appropriate tax treatment for this offer and any tax implications associated with receipt of the Asset Transfer Bonus payment before enrolling. Any related taxes are your responsibility. Victory Capital may decline requests to enroll in this offer at its discretion.

The decision to transfer assets from another account into a Marketplace brokerage account is an important one and Victory Capital does not provide any advice or recommendations as to whether you should do so. Carefully consider all your available options, which may include but are not limited to keeping your assets in your current account(s). Prior to making a decision, be sure to understand the benefits and limitations of your available options and consider factors such as differences in investment-related expenses, account fees, available investment options, distribution options, legal and creditor protections, tax treatment and other concerns specific to your individual circumstances. The Victory Capital Asset Transfer Bonus program and the Asset Transfer Bonus payment should not be determinative factors in your decision to transfer assets from another account into a Marketplace brokerage account.

Victory Funds are distributed by Victory Capital Services, Inc. (VCS). VCS is a broker dealer registered with the SEC and a member of FINRA and SPIC. VCS acts as the introducing broker for your Marketplace brokerage account. Investment management services are provided by VCM, an SEC-registered investment adviser.

Please read and sign below

The Eligible Investments are advised by VCM and any investments or deposits you make in your Designated Account, including the Asset Transfer Bonus payment, will result in fees paid to VCM and/or its affiliated companies. Such fees include investment management fees, transfer agent fees, brokerage related fees, and other related expenses associated with an investment in an Eligible Investment, and may reduce the overall value of your investment over time. Investment recommendations for investing in the Eligible Investments, if any, are made by VCS, an affiliate of VCM; please view VCS's Customer Relationship Summary for important information and disclosures about the services VCS provides to you. Please read it carefully and contact VCS at 800-235-8396 with any questions. Any investment recommendation made by VCS is a point-in-time recommendation based on information you provide. The recommendation will not adjust over time or be managed by VCS or VCM; neither VCS nor VCM provides ongoing monitoring of your investment account. VCS does not provide tax or legal advice. You are not obligated to act on any recommendation from VCS. If your Account is, or is funded by, an IRA subject to Section 4975 of the Code, you understand and agree that none of VCS, VCM, or any affiliated company: (A) has investment discretion with respect to your decision to your investment choices, (B) has authority or responsibility to give or regularly gives investment advice for a fee with respect to the account, or (C) will otherwise act as a fiduciary to you or the account within the meaning of Section 4975 of the Code.

The terms and conditions of this Victory Capital Asset Transfer Bonus Form are supplemental to, and should be read in conjunction with, the terms and conditions of your account application contract, prospectuses, and/or other related materials.

Victory Capital reserves the right to change the terms of, restrict, or revoke this offer at any time without advance notice. This is not an offer or solicitation in any jurisdiction where we are not authorized to do business.
