

**Victory Portfolios II (VictoryShares)
2025 Capital Gain Distributions
Estimated (9/30/2025)**

Throughout the course of the year, exchange-traded funds realize gains and losses from selling securities held in their portfolios. Tax laws require that all exchange-traded funds, regardless of performance, distribute these net gains to their shareholders before the end of the year. Net gains may be realized and distributed even if a fund's share price has declined. To receive the distribution, you must have been a registered shareholder of a fund on the record date. Distributions will be paid on pay date. We strongly urge shareholders to consult with their tax advisers regarding the tax consequences of these distributions.
