You could lose money by investing in the Fund. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although a money market fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in a money market fund.

Effective Duration is a duration calculation for bonds that have embedded options, taking into account the fact that expected cash flows will fluctuate as interest rates change. **Subsidized Yield** reflects the current fee waiver.

Unsubsidized Yield represents what the Yield would have been without the current fee waivers and/or expense limitations.
